- Apply RA Healing/Hydrator - optional
- Apply RA Daytime Defense SPF30

EVENING HOME CARE

- Cleanse with RA Non-Active/Post Care Cleanser
- Apply RA Growth Factor
- Apply RA Healing/Hydrator - optional

If you experience any discomfort, oozing, scabbing or crusting call your Aesthetician right away. This is not abnormal and is nothing to be alarmed about, but it may require some additional Rhonda Allison Post Care to alleviate discomfort.
